Helena Chemical Company proudly introduces 2015 West Central Division Intern Award Winner – West Central Division Manager Neil Timmerman names University of Arizona student as a $2,000 award winner

West Des Moines, IA - - Helena Chemical Company recognizes Alexandria Eatherly as the 2015 Outstanding West Central Division Intern Award winner. Eatherly is from Yuma, Arizona and is a senior at the University of Arizona majoring in Agriculture Business. She was selected from a competitive group of 65 interns throughout the Midwest for her outstanding performance throughout her summer internship with Helena Chemical Company. Eatherly worked as a Summer Sales and Marketing Intern for the Osmond, NE branch.

Alexandria Eatherly presenting an overview of her summer projects to Helena Chemical leadership on August 11, 2015

During her summer internship, Eatherly worked with growers, positioning and evaluating multiple precision agriculture technologies and yield enhancing Helena Products throughout the Nebraska market. Her internship was completed in mid August.

The 2015 Helena Summer Intern class was comprised of 65 students from 29 Universities across the country. The $2,000 award is designed to encourage creativity and innovation among the intern team and assist with college expenses.

Casey Krieger of North Dakota State University was awarded the Midwest Division Award, and Aaron Siebeneck of The Ohio State University was awarded the North Central Division Award.

Helena Chemical Company is a leading distributor and formulator of crop protection and crop production inputs and services. Based in Collierville, Tennessee, Helena has nearly 450 locations across the United States.
